A New Cerebral Convolution....688
Accelerator Nerves of the Heart....698
Acid, Bromo-Hydric....716
Acid, Lactic, as a Hypnotic....531, 714
Aconitia....167
Action of Digitoxin, Digitalin and Digitalein....162
Action of Sulphate of Guanadin....526
" " Tartar Emetic....528
Active Principles of Mais Avaria....529
Acute Spinal Paralysis....146
Addison's Disease....77
Aesthesiography....143
Aetiology of Angina Pectoris....520
Alcohol....350
" in Therapeutics....168
Alterations of the Brain and Cord in Tetanus....515
American Neurological Association....304, 414, 584
Amnesia Periodical—M. Azam, M. D....584
Amyl Nitrite, Value in Nervous and Mental Disease....524
Anæmia, Cerebral—J. L. Teed, M. D., Missouri....84
Anaesthetics, Duration of the Muscular Contractility after death by....502
Anatomy and Physiology of the Nervous System....139, 321, 501, 683
Angina Pectoris, Aetiology of....520
Aphasia, Visual Troubles Connected with....703
Apomorphine....533
Apoplectiform Bulbar Paralysis....509
Are there Taste Fibres in the Chorda Tympani....696
Artificial Somnambulism....334
Asthma, Spasmodic, Use of Morphia and Atrophia in....532
Ataxia, Hereditary....148
" Locomotor....448
" Nephritic Crises in....708
" Progressive....76
" Relation between General Paralysis and....704
Ataxics, Rapidity of Transmission of Sensory Impressions in....703
Athetosis....510
Atrophy, Progressive Muscular....75
" " " Lesion of Primitive Fibres of Voluntary Muscles in....516
Atrophy, Progressive Muscular, Skin Diseases in....152
Atropia in Spasmodic Asthma....532
Auditory Vertigo....701
Aural Disorders, Relation between Epileptic Symptoms and....135

B

Blisters for Neuralgias....352
Brain, Functions of the....139, 321
" Not the Sole Organ of the Mind—W. A. Hammond, M. D....1
Brain, Movements of the....686
" of the Chacma Baboon....326
Bromo-Hydrate of Quinine....354
" Hydric Acid....716

Page.

Bromide of Camphor....164, 718
" " Lithium....159
Bulbar Paralysis....153
" " Apoplectiform....519

C

Calorimeter, Dr. Lombards Thermo-electric....91
Camphor, Bromide of....164, 718
Carbonic Acid Gas in Treatment of Headache....437
Case of Herpes Zoster Frontalis—James I. Tucker, A. M. M. D....561
Case of Poisoning by Coal Gas—Ransom Dexter, M. D....412
Case of Infantile Paralysis—J. J. Caldwell, M. D....261
Catalepsy, Muscular Contractility in....511
Cerebellum, Physiology of the....688
Cerebral Anæmia—J. L. Teed, M. D., Kansas City, Mo....84
Cerebral Arteries, Idiopathic Thrombosis of the....151
Cerebral Arteries, Syphilitic Lesions of the....155
Cerebral Circulatory Arrest, Influence on General Circulation....710
Cerebral Cortex, Functions of the....683
" Diagnosis, Regional,....440
" Disease, Localization of....337
" Hæmorrhages in Infants....149
" Hemispheres, Thermic Influence of....502
Cerebral Localizations....710
" Paralysis—J. J. Caldwell, M. D., Baltimore....261
Cerebro-Cardiac Derangement....438
Chacma Baboon, Brain of....326
Chloral in Sea-Sickness....534
Chlorosis....438
Chloroxalethylin....713
Chorda Tympani, Taste Fibres in the....696
Chronic Epilepsy....438
" Lead Poisoning....711
Circulation, Intra Cranial and Intra Ocular —J. C. Shaw, M. D....217
Clinical Lectures and Essays....125
Clinical Study of Tetany....435
Coal Gas, Case of Poisoning by—Ransom Dexter, M. D....412
Colchicine....714
Colic, Lead....78
Colors, Perception of....514
Columns of the Cord, Course through Medulla and Pons....324
Combined Use of Morphia and Atropia in Spasmodic Asthma....532
Concussion of the Spine; Erichsen....483
Congenital Deaf-Mutism, Pathogeny of....349
Contraction and Innervation of the Spleen....689
Contribution to Pathology and Therapeutics of Pertussis—Seneca D. Powell....231
Contribution to Study of Syphilis of the Nervous System—R. W. Taylor, M. D....30
Convolutions of the Brain, Effects of Peripheral Lesions on the....702
Convulsions and Paralysis due to Fronto-parietal Mening.-Encephalitis....524
Convulsions, Saltatory Reflex....333

Page.
Cornea, Influence of Section of Trigeminus on the....155
Corpuscles, Pacinian, What are they?....141
Course of the Columns of the Cord, through Medulla and Pons....324
Croton, Chloral....163
Cuticle, Distribution of Nerves in the....502
Cyclamin....529

D

Deaf Mutism, Congenital, Pathogeny of....349
Death by Anæsthetics, Duration of Muscular Contractility after....502
Decussation of the Optic Nerves....140, 141
Delirium Tremens, Transitory Albuminuria in....707
Dental Organs, Lesions of the Trifacial, Resulting from Disease of the—D. H. Goodwillie, M. D., D. D. S....188
Deviation of the Head, Symptomatic Importance of....517
Diagnosis of Auditory Vertigo....701
" " Position of the Lesion in Facial Paralysis....336
Digitalein, Action of....162
Digitalin....162
" Subcutaneous Injections of....581
Digitoxin, Action of....162
Diseases of the Nervous System—Bandby. 476
" " " —Eulenberg. 633
" " " —Hammond. 458
" " Skin—Piffard....487
" " Spinal Cord—Leyden. 109, 277
Disorders of Speech in General Paralysis. 337
Distribution of Nerves in the Cuticle....502
Division Processes in the Nerve Cells....506
Double Consciousness—M. Azam....584
Dura Mater, Mechanical Irritation of the. 687
" " Sensibility of the....692
Duration of Muscular Contractility after Death by Anæsthetics....502
Duration of Nervous Excitability after Death by Anæsthetics....502
